CALDWELL COUNTY COMMISSION MEETING

Thursday, March 12, 2026

CALL TO ORDER

Presiding Commissioner Akey called the meeting to order at 8:30 a.m.

PLEDGE OF ALLEGIANCE

ROLL CALL

Presiding Commissioner Dale Akey – present

Western District Commissioner Rex Hibler – present

Eastern District Commissioner Randy Howell - present

Also Present – Jamy Aubrey, Clerk

AGENDA

Commissioner Hibler moved to approve the agenda. Commissioner Howell seconded the motion. Commissioner Hibler, Commissioner Howell and Commissioner Akey voted in favor. The motion passed.

Commissioners reviewed, approved, and signed biweekly payroll.

Beth Larkins, Collector/Treasurer, discussed tax billing and collector software. She noted that the current tax billing software has not fully supported the implementation of SB190 and the potential implementation of SB3 will likely create additional issues. Beth recommended that the county switch to Missouri Tax Flow software, which has developed a system that supports both SB190 and SB3. Missouri Tax Flow appears to be the only software provider currently supporting both requirements.

Commissioners addressed complaints regarding the deletion of the Emergency Management Department Facebook page, which resulted in citizens not having access to information that included locations of storm shelters during the most recent storm that included tornado warnings. The Commission stated they did not create the Facebook page and did not have administrative access to it, and therefore, did not delete it. Storm shelter locations were provided to the Sheriff's office to post on their Facebook page.

Commissioners discussed the Emergency Management email account, and which individuals should have access to view and respond to emails.
